Developments in Data Security and Incident Reporting for Companies Doing Business with the U.S. Government

Virtual

03.24.2022 | 11:30 AM – 12:30 PM Eastern Time

Event Sponsor: Sheppard Mullin

This panel will explore the changing cybersecurity landscape for companies that do business – directly or indirectly – with the U.S. Government. How can companies ensure compliance with myriad government standards and requirements as part of their overall privacy and data security plan? How can they best manage suppliers and technology providers in this space? Participants will be guided through key government Executive Orders, legislation, and cybersecurity certification initiatives and provided with practical solutions and best practices to navigate risk in this area.

Speakers:

Townsend Bourne, Partner, Sheppard Mullin

Nikole Snyder, Associate, Sheppard Mullin

Stacy High-Brinkley, VP Compliance Solutions & Services, Cask Government Services
