As it becomes clear that the hybrid workplace is here to stay, is your organization fully-equipped to respond to this environment?

Join Global Relay and Adam Rosenthal, employment law attorney and author of *Managing Employees Without Fear: How to Follow the Law, Build a Positive Work Culture and Avoid Getting Sued*, as we dive into these complexities.

Don't miss the chance to learn how to:

- Respond to the challenges and opportunities of a hybrid workplace
- Anticipate the future of U.S. employment law by analyzing local, state, and federal trends
- Amplify compliance culture with employees working in the office, remotely, and everywhere in between
- Protect your organization from the legal, financial, and reputational risks emerging from this behavioral shift

Speakers:

- **Adam Rosenthal**, *Employment Law Attorney*, Sheppard Mullin
- **Bo Nelson**, *Technical Account Manager*, Global Relay
