Healthcare M&A: Current Trends and Market Update

Webcast
March 9, 2022
1:00 p.m. EST

Overview

Speaker: Eric Klein, *Partner and Leader*, National Healthcare Team, Sheppard Mullin

Healthcare M&A continued to surge in 2021. According to a recent report by PWC, global healthcare M&A deal volume increased by 32% between 2020 and 2021 and deal values increased by 65% during the same period. The interest in healthcare M&A is perhaps not surprising, given a number of factors, including the fact that healthcare spending accounted for nearly 20% of US GDP in 2020.

Faculty will explore the following topics:

- Overview of healthcare M&A trends
- What are the social and economic drivers of healthcare M&A activity?
- Who are the key players in healthcare M&A?
- What are the current trends healthcare M&A and the hot areas for investment?
- What are the significant risk factors and key considerations for buyers?
- Healthcare M&A outlook for 2022 and beyond

Course materials will be available to attendees prior to the start of the program.
