Remember This!: Navigating California's Land Use Laws

Tuesday, May 03, 2022

11:00 AM Pacific Daylight Time

California land use laws govern all aspects of restaurant design and operations. This webinar will provide topical overview of key issues identifying, permitting, and opening a new restaurant in the Golden State, with a special emphasis in urban centers. Guest speakers from Law Firm Partner Sheppard Mullin, Alfred Fraijo and Reuben Duarte, will review key land use issues, such as land use and zoning restrictions, development standards, special use permits, covenants, and environmental compliance impacting project costs and timelines. They will also discuss pitfalls and best practices during the diligence and leasing or purchasing process, and discuss the importance of catching potential land use issues early and working through them.

This presentation will be recorded and available for viewing to all registered attendees.

Speakers:

- Alfred Fraijo, Jr., Partner, Sheppard Mullin
- Reuben Duarte, Senior Land Use Planner, Sheppard Mullin
- Angelo I. Amador, Executive Director, Restaurant Law Center
