The Women in Healthcare Leadership Collaborative (WHLC) continues its series of webinars and roundtable discussions focused on the far-reaching impact of the recent Supreme Court decision in Dobbs v. Jackson Women's Health Organization.

You're invited on **July 26 at 4:30 pm ET / 1:30 pm PT** for the second part of the WHLC Dobbs Series, during which we will level-set and decipher Dobb's far-reaching privacy implications and what to expect next in response to President Biden's push for codified rights. We will address how Dobbs affects the privacy of everyone in America (including at the provider, individual, and employer levels) and how litigation and legislative action can save, or starve, U.S. privacy rights.

** Stay tuned for Part 3 of the WHLC Dobbs Series on August 9, 2022, which will focus on labor and employment considerations arising from the Dobbs decision.**
