The Women in Healthcare Leadership Collaborative (WHLC) continues the **WHLC Dobbs Series** focused on the far-reaching impact of the recent Supreme Court decision in *Dobbs v. Jackson Women's Health Organization*.

Please join us on **November 9th at 2:00 pm ET / 11:00 am PT** for a virtual fireside chat to discuss the impact of *Dobbs* and state anti-abortion laws on **health equity**. We look forward to facilitating a timely discussion on, among other issues: (1) racial disparities in access to obstetrics and related care; (2) lack of trust in the healthcare system as an increasingly significant barrier to care; and (3) the adoption of innovative care delivery models that address health equity post-Dobbs in the context of a shifting legal landscape.

Presented By:

1. **Sarah Thomas**, *General Counsel*, Sameday Health
2. **Stephanie Swartz**, *Senior Director of Policy and Public Affairs*, Favor
3. **Audrey Crowell (moderator)**, *Associate*, Sheppard Mullin
