So Others Might Eat (SOME) Since 1970, SOME has been a care provider and a beacon of hope to residents in our nation's capital. Our services are available to individuals, families, senior citizens, veterans, and those affected by physical or mental illness. Every day, we are working to break the cycle of poverty and homelessness through our comprehensive approach.

This event is sponsored by the **Sheppard Mullin Women Lawyers Group ("WLG")**. The WLG provides our firm's women attorneys with the resources and opportunities needed to achieve maximum professional potential, taking into account diverse experiences and intersectionality. In particular, the WLG is focused on developing strong professional skills, promoting strategic business development, providing leadership and visibility, and offering mentorship and sponsorship. The WLG serves as a powerful and inclusive network, connecting and supporting women and working collaboratively with all of the firm's attorneys to promote their collective success.
