

National Healthcare Facility Rx Diversion Summit

Hilton Daytona Beach Oceanfront, Daytona, FL
04.17.2023 | 4:00 – 5:00 p.m.

Don't Let Drugs Bring You Down: The Importance of an Effective Drug Diversion Program

4:00 – 5:00 p.m.

April 17, 2023

Hilton Daytona Beach Oceanfront, Daytona, FL

Speakers:

Lourdes Martinez, Partner, Sheppard Mullin

Jarrod Brodsky, Associate, Sheppard Mullin

Overall, healthcare professionals are 10-15% more likely to develop substance abuse issues than the general population. As addiction to prescription medication has reached nation-wide epidemic proportions, it has become a major driver of drug diversion. The failure of a facility to effectively prevent drug diversion leads to substandard care, the denial of essential pain medication or therapy, risk of infection, and even death.
