

How Copyright Works in 2023

Risks and Opportunities Posed by Generative AI

DX 41 London 5 New Street Square London EC4A 3TW UK

06.21.2023 | 16:00 - 19:30 BST

Event Sponsor: TaylorWessing

Sheppard Mullin partner, Dan Schnapp, will be joining a panel of legal experts at this seminar presented by Taylor Wessing. The panel will address the copyright implications of using and training generative AI tools in the US, UK, EU. They will also review the major new copyright cases from the past year and their implications for copyright subsistence and infringement.
