

Pharmaceutical Compliance Congress 2024

April 16-18, 2024

The premier event for mitigating risk and delivering novel, all-encompassing ethics and compliance programs. PCC is the most convenient way to put yourself in the same room as the FDA, CMS, DOJ, PhRMA and leading compliance executives. A single event expertly curated to discuss the most pressing topics affecting compliance programs and operations.

Join us at #PCC2024 and receive 10% off of your registration with code PCCSheppard24.
