

## Advising on AI: Guiding Your Clients Through AI Challenges

09.19.2024 | 1:00 PM EDT

Event Sponsor: Justia

This presentation will cover an overview of AI legal issues and risk management, including an overview of AI issues in current litigations and regulatory enforcements. It will cover current AI policy and legislation, including a discussion of the White House Executive Order on AI and a summary of some pending and recently passed AI legislation. It will conclude with specific steps companies need to take to manage AI legal risks including creating AI governance committees and developing role-based corporate AI policies.
