

Online Sports Betting: Legal and Business Developments and Trends

Webinar

08.19.2024 | 12:30-1:30 PM

Event Sponsor: Beverly Hills Bar Association

The presentation delves into the rapid growth of online sports betting in the United States, highlighting its burgeoning popularity and economic impact. It examines the commercial trends driving the integration between sports betting, media, and technology, showcasing innovative partnerships and cross-platform collaborations. Additionally, the presentation explores the evolving legal landscape, advising attorneys of regulatory challenges and opportunities for stakeholders in this dynamic market.
