

AI Best Practices for In-House Counsel and Guidance for Your Health Care Workforce

Webinar

09.24.2024 | 2:00-3:00 PM EDT

Event Sponsor: American Health Law Association

This webinar will inform in-house teams and attorneys advising in-house teams on best practices for building AI programs. The speakers will also provide guidance on how to mitigate business and contractual risks in incorporating AI use.

Learning Objectives:

- Actionable takeaways on how to structure AI governance and use in a health care setting.
- Key stakeholders and considerations in evaluating AI resources
- How to mitigate business and contractual risks in incorporating AI use

Speakers:

- Carolyn Metnick, Partner, Sheppard Mullin
- Aastha Farr, Associate General Counsel, SCAN Group
