Join Sheppard Mullin for a dynamic discussion on AI Legal Governance followed by a networking reception.

Panel 1: Understanding and Managing Legal Risks With AI

Dive deep into the complexities of AI and the legal frameworks that govern it. This panel will provide insights into identifying, understanding, and managing the legal risks associated with AI technologies, including an overview of the legal and regulatory issues with AI and the need for AI policies for development and deployment of AI.

Moderator and Presenters:

- **James Gatto (moderator)**, *Artificial Intelligence Team Leader*, Sheppard Mullin

Panelist Information to follow.

Panel 2: Managing AI Legal Risks When Dealing with the Government

Explore the unique challenges and considerations when AI technologies intersect with government regulations and contracts. This discussion will review recent initiatives stemming from the Biden Administration's AI Executive Order and predictions regarding treatment of AI under the new administration. Panelists will offer

valuable strategies for successfully navigating AI issues in government business.

Moderator and Panelists:

- **Townsend Bourne (moderator)**, *Government Business Group Team Leader*, Sheppard Mullin
- **Jonathan Meyer**, *Former General Counsel of the U.S. Department of Homeland Security (DHS), Partner Governmental Practice*, Sheppard Mullin
- **Brian Craig**, *Vice President & Assistant General Counsel*, SAIC
- **Brandon Wales**, *Former Executive Director at the Cybersecurity and Infrastructure Security Agency (CISA), Vice President, Cybersecurity Strategy*, SentinelOne
