

SmallSat Symposium 2025

Silicon Valley, CA
February 4-6, 2025

Globally recognized event that fosters innovation and collaboration within the SmallSat industry, The **SmallSat Symposium** is returning to the Computer History Museum for 2025. For the past decade, it has attracted top speakers, leading space companies, key decision-makers, and innovators that are shaping the industry. Hosted in Silicon Valley, SmallSat Symposium offers prime opportunities to learn from industry leaders, gain valuable market insights, and develop meaningful connections.

Partner Drew Svor will be speaking on the panel "Risks, Realities and Regulations Shaping the Smallsat Market" on February 4 from 8:30-9:15 AM.

Partner Brian Weimer will be moderating the panel "Does Vertical Integration in Manufacturing Risk the Dilution of Capital and Effort" on February 5 from 1:00-1:45 PM.
