

The ATCC 2025 Conference

Urgent Developments in High Technology Trade Controls

02.06.2025 | 8:45-10:00 AM CT

The Advanced Topics in Customs Compliance Conference (ATCC) is a premier customs compliance industry conference focused on complex, high risk, or hot button trade topics.

Join compliance professionals and peers at the annual ATCC Conference featuring top-rated speakers and panelists. In addition, benefit from:

- Superb networking opportunities
- Ability to benchmark against some of the industry's best
- Unwind with live music, dancing, drinks, food & prizes after intense educational sessions
- Continuing education certificate awarded after completion of conference, subject to attendance verification

Partner Scott Maberry will be speaking on the panel "Urgent Developments in High Technology Trade Controls" on February 6 from 8:45-10:00 AM CT.
