

The California Insurance Law Conference

Sheltering from the Storm of Cyber Risks with Cyber Insurance

Marina del Rey, CA

03.21.2025 | 10:00-10:45 AM

The California Insurance Law Conference offers a high-level overview of the top issues shaping today's insurance marketplace, going beyond the usual subjects to deliver fresh, relevant content. With topics ranging from cyber insurance and mediation strategies to reinsurance and California fire coverage, we tackle the most pressing challenges facing the industry. Whether you're dealing with complex construction claims or commercial insurance for business owners, there's something for everyone involved in insurance. Join us to gain critical insights, explore cutting-edge solutions, and connect with industry leaders driving innovation and success.

Topics:

- Practical hypothetical
- Cyber risk drivers
- Cost of a cyber event
- Making cyber insurance a cornerstone of cyber risk management
- Importance of standalone cyber coverage
- Avoiding pitfalls and future considerations

Speaker:

- Andrea Warren, Special Counsel, Sheppard Mullin
