Putting Patients First: Access & Business Strategies for Better Care

2201 N Stemmons Freeway, Dallas, TX 75207

09.16.2025 | 3:50-4:30 PM

Partner Dominick DiSabatino will be speaking on the panel "Putting Patients First: Access & Business Strategies for Better Care" on September 16 from 3:50-4:30 PM.

Patient advocacy ensures individuals receive the care and support they need, but true impact happens when businesses integrate patient needs into their strategies.

This session will explore how advocacy and patient-centered business models drive better healthcare outcomes.
