

## Annual Global Media Update: New Frontiers

11.08.2011

Join us for a complimentary breakfast with leading producers, executives and entertainment lawyers from around the world. Our panelists will address the latest industry developments in countries across the globe, including raising finance and new incentive programs. We will also be reviewing the latest developments in digital distribution, looking at the impact of new technologies and platforms and discussing the challenges and opportunities for producers and distributors in today's on demand media universe.
