Social Media For Start-Up Companies - Things to be aware of and look out for when using social media to promote your business

Many companies are already utilizing the power of social media to maintain relationships and increase their business opportunities. However, such as breach of privacy, fear of legal action, and lack of control have lead to the avoidance of this important tool. This webinar will show you how to develop social media strategy to market and brand your company while managing and mitigating the legal risks.

We hope you'll log in for a timely and lively discussion.
