A Tasting of Summer Wines

Sheppard Mullin Palo Alto Office

06.28.2012

By invitation only.

When

Thursday, June 28, 2012

6:00 p.m. - 8:00 p.m.

Where

Sheppard Mullin
379 Lytton Avenue
Palo Alto, CA 94301

We will be pouring wines best enjoyed throughout a scorching summer in the Silicon Valley. You will learn about each varietal and the qualities of the wines that make them unique and fabulous to enjoy throughout the hot summer months.

For those who want to learn more about wine (or just like to drink the stuff), this is a great opportunity to build your palate.

We also will serve a selection of hors d'oeuvres that complement the various summer varietals we will be serving.
