

American Bar Association Forum on Air & Space Law's 2008 Washington Update Conference

Ritz Carlton Hotel, Washington, D.C.
01.31.2008

Roy Goldberg will be speaking at the American Bar Association Forum on Air & Space Law's 2008 Washington Update Conference. Taking place at the Ritz Carlton Hotel, Washington, D.C., the Update Conference will cover current policy issues in the legislative and regulatory process, the potential effects of the impending election on the aerospace industry, and the liability risks associated with global warming.
