Responding to the Threat of Cybercrime

Companies now identify cyber security as their number one concern. Cyber-attacks and security breaches are increasing in frequency, sophistication and severity. Cyber criminals are targeting multiple industries to steal data or disrupt business operations in critical sectors. Our panel discusses how to combat the threat of cyber-crime by, for example, designing effective technical solutions, prosecuting computer crimes, and preparing to handle security breaches.

Presented by

- **Bob Rose**, *Partner*, Sheppard, Mullin, Richter & Hampton LLP
- **Wes Hsu**, *Assistant United States Attorney*, U.S. Department of Justice, *Section Chief of the Los Angeles Cyber and Intellectual Property Crimes Section*
- **Matt Stamper**, *Vice President*, redIT, *Head of Managed and Professional Services*

Moderator

- **Neil Ray**, *Co-Chair*, Los Angeles Transatlantic Law Council

About the British American Business Council's LA Transatlantic Law Council

The BABC's LA Transatlantic Law Council provides a diverse and unique forum for in-house attorneys and outside counsel in the UK and California who are corporate level members of the BABC LA to discuss hot topics and trends that can impact their clients' domestic or international business.

Please note that self-parking is available at the Westfield Mall for \$1.00 for up to three hours (directions). The yellow parking garage elevators are the closest to the walkway between the mall and our building.

Turn right after exiting the parking elevator and our building is on the left with the Union Bank signage. You will need to check-in with the 1st floor security desk for access to the 16th floor.

MCLE

This activity complies with standards for Minimum Continuing Legal Education prescribed by the California State Bar and is approved for 1 hour of MCLE credit. Sheppard, Mullin, Richter & Hampton LLP is a State Bar of California approved MCLE provider.
