

THINC 2014

The Hotel Investment Networking Conference

Hilton Chicago

05.2014

THINC, The Hotel Investment Networking Conference, specifically designed for Owners, Presidents, CEO's and Deal Makers to discuss critical trends and current events impacting hospitality investments. This highly impactful Chicago event offers an impressive gathering of hotel leaders meeting to discuss finance, development, ownership, management, and franchising strategies to help you gain a competitive advantage for sourcing capital, finding partnerships, and securing your next deal.

THINC is anticipated to be the best hospitality event to hit Chicago in 2014. By being a part of THINC you will meet more hospitality decision makers to pump up your business and learn what your fellow hotel colleagues are talking about all while enjoying plentiful food events in first-class facilities at the Hilton Chicago, in the heart of the USA, along the lakefront and the magnificent Michigan Ave. THINC is designed to be a casual yet highly interactive event so you come away with the maximum amount of contacts and knowledge.
