

The Digital Dimensions of Healthcare

Sheppard Mullin & SVB

04.22.2014

Tuesday, April 22, 2014

11:30 a.m. – 1:30 p.m.

Silicon Valley Bank Hanover Office - Palo Alto

Sheppard Mullin and Silicon Valley Bank host an event focused on discussing the funding landscape of Digital Health and how to scale your business. We will hear from Todd Johnson, the CEO of HealthLoop and former CEO and founder of Salar Inc., which was acquired by Transcend Services Inc in 2011. Todd has a proven track record of cultivating innovative ideas into successful businesses while striving to build company cultures and brands.

Topics:

- The current state of Digital Health
- Tips on how to monetize your product/ idea
- Funding landscape for Digital Health companies

If you're interested in attending this event, please contact Shane Ballew at sballew@svb.com.
