

TAA Career Day

How to Position Yourself for That Dream Job

Washington DC

10.22.2015

Event Sponsor: Thai Alliance in America

In November of 2013, Thai Alliance in America ("TAA") hosted the 1st Annual Samakkee Summit at the Royal Thai Embassy in Washington, D.C. We were able to successfully gather Thai American community leaders across the United States to discuss important issues faced by our community. We believe that it is important to invest in our future generation through mentorship, career guidance, and talent development. This event will offer a unique opportunity for our students to meet with renowned professionals and learn more about job interview process as well as many exciting career and internship opportunities here in the Washington, D.C. Metro area. This event will also provide an opportunity for our young professionals to network and expand their business relationships.

Please join us on October 22, 2015 at TAA Career Day and help shape the future of our community!
