

Sheppard Mullin's California Antitrust Practice Ranks in 2012 GCR 100

Global Competition Review
01.27.2012

Global Competition Review ranked Sheppard Mullin's Antitrust practice as a "Recommended" firm in California in its 2012 GCR 100 guide.

The firm was noted for representing Samsung in the liquid crystal display follow-on litigations stemming from the government's cartel investigation, and for defending Samsung SDI, an independent company, in the cathode ray tube Department of Justice investigation. GCR also highlighted the fact that the firm is advising on antitrust aspects of a joint venture between Disney, Warner Brothers, 20th Century Fox and others to help identify standards for digital film technology.

GCR 100 is an annual, comprehensive guide to the world's leading firms for competition.
