07.25.2023

Sheppard Mullin is pleased to announce that partners Martin Bruehs, Scott Liebman and Lorna Tanner have been named to the LMG Life Sciences 2023 awards shortlist in the categories of Patent Strategy Attorney of the Year – DC Metro, Regulatory Attorney of the Year. FDA Pharmaceutical and Patent Strategy Attorney of the Year – California, respectively.

Now in its 11th year, the annual awards recognize top life sciences practitioners and law firms from the United States, Canada – and for the first time – Brazil, across a range of key practice areas including regulatory, corporate, intellectual property and litigation. Nominees are selected through a rigorous research process and interviews with leading lawyers from the field.

This year's award winners will be announced at a ceremony in New York City on September 7.
