

Sheppard Mullin's New York Office Named a 2023 Best Place to Work

Crain's New York Business

09.28.2023

Sheppard Mullin's New York office ranked #10 among the "100 Best Places to Work in New York City" in the large company category by *Crain's New York Business*. This is the eleventh time the firm has been ranked on this list.

The top 100 companies were chosen based on their respective workplace policies, practices and demographics. In partnership with Best Companies Group, Crain's surveyed more than 20,000 employees across all five boroughs on the types of work atmospheres, leadership styles, opportunities for mentorship and professional growth, traditional benefits and atypical "work perks" that make a company a great place to work.
