

Lauren Hansson Named Among Hollywood's New Leaders of 2024

Variety

10.30.2024

Entertainment, Advertising and Technology associate Lauren Hansson was named as one of "Hollywood's New Leaders of 2024" by *Variety*. This year's list highlights 45 individuals under the age of 40 that "honor advancement, innovation, accomplishment and greatness across a broad spectrum of disciplines, from social media expertise to legal acumen, production oversight to personnel management, artist development to strategic partnerships," according to the publication.

Hansson was noted for negotiating a number of high-profile deals for Amazon MGM Studios including one with Ryan Gosling and his new production company, General Admission. She has also handled matters for podcast network Wondery and tech giant Meta.
