D CEO Magazine

11.15.2024

For the sixth consecutive year, partner Gemma Descoteaux has been named to *D CEO Magazine*'s annual list of the 500 most influential business leaders in the Dallas-Fort Worth (DFW) area.

Now in its 10th edition, the signature publication features the most influential North Texas executives in more than 50 industry categories. The list is compiled through months of research and hundreds of personal interviews conducted by *D CEO* editors.

Descoteaux's profile spotlights her 30 years of experience handling complex M&A transactions and her tenure as past president of the DFW Association for Corporate Growth. *D CEO* also highlights that she assembled and moderated an all-female panel for the Texas Capital Connection this year. “Women and minority owned companies receive negligible investment dollars, which is lost opportunity,” Descoteaux said.
