08.19.2025

Climbing two spots from last year, Sheppard Mullin solidified its place once again on *American Lawyer's* 2025 A-List: Runners Up.

The A-List rankings continue to highlight firms that excel across key metrics, including financial performance, pro bono contributions, diversity and inclusion efforts and associate satisfaction. Advancing in such a competitive field underscores the dedication and strategic vision that drive the firm's ongoing success.

About the A-List

In the *American Lawyer's* A-List, a firm's score is based on a number of factors, both financial and cultural: revenue per lawyer, pro bono commitment, associate satisfaction, racial diversity and gender. Each category, as well as the overall score, is based on a 100-point scale with revenue per lawyer and pro bono given double weight.
