India Business Law Journal named Sheppard Mullin a “Significant Player” for its India-related legal accomplishments and activities in the past year. This is the third consecutive year the firm has received this recognition. In an excerpt, “Sheppard Mullin Richter & Hampton has been the legal adviser of choice in the US for a number of Indian companies such as Tata Consultancy Services, Tech Mahindra and WNS Global. Last year, L&T Technology Services retained the firm for advice on a nationwide basis on employment law issues and employment litigation.”

As in previous years, *IBLJ*'s 12th annual report drew several hundred submissions from law firms and its results were the culmination of detailed research and analysis, including consultation with Indian law firms and in-house contacts.
