Law360 selected Sheppard Mullin's Cannabis Industry Team as a 2019 "Practice Group of The Year." Now in its 10th year, the awards honor the law firms behind landmark litigation wins and major deals in 2019, and only a handful of law firms are named for each category.

In previous years, the firm has earned Practice Group of the Year recognition from *Law360* for its Entertainment, Food and Beverage, Government Contracts, Healthcare, Hospitality, Intellectual Property, Privacy and Cybersecurity and White Collar practices.
