Partners Larry Braun and Domenic Drago were recognized among Lawdragon's 500 Leading Dealmakers in America list for 2021.

Describing the attorneys recognized on the list, *Lawdragon* says, "Their accomplishments and skills are dizzying. The reporting for this guide was based on that old journalistic trope: Follow the money. While the financial structures many of these lawyers create are sufficiently Byzantine to defy true understanding, their results are remarkable. Throughout the past (horrible) year, they have helped business find cash to stay afloat, and brokered mergers and other opportunistic combinations that preserved precious jobs and kept innovation afloat."
