

Lorna Tanner Named 2021 Patent Strategy Attorney of the Year in California

LMG Life Sciences
09.23.2021

Partner Lorna Tanner was named "2021 Patent Strategy Attorney of the Year – California" by *LMG Life Sciences*, the definitive guide to leading North American law firms and lawyers specialized in the life sciences industry.

The annual awards, now in its 9th year, recognize key firms, individuals and companies behind the most innovative and challenging life sciences work of the past year, as well as those driving the international market.

Tanner and the other award recipients were honored during its Annual Awards ceremony on September 22 at the Essex House in New York City.

LMG Life Sciences rankings and awards are based on marketplace and client feedback, as well as information provided by firms, which can only be ranked if the market deems them worthy of consideration.
