

Ramela Ohanian Selected for Next Gen 2021: *The Hollywood Reporter's* 35 Rising Executives 35 and Under

11.03.2021

Associate Ramela Ohanian has been recognized among *The Hollywood Reporter's* Next Gen 2021 for her work as lead associate handling overalls and first-looks for clients including Amazon Studios, Nickelodeon, Keshet Studios and Gunpowder & Sky. The list features 35 rising agents, managers, lawyers and executives 35 and under “making unprecedented moves fit for these unprecedented times.”

According to the publication, “*THR's* 28th annual Next Gen honorees join a list of alumni that includes MACRO's Charles King, Netflix's Bela Bajaria and Rideback principal Dan Lin. But in a Hollywood where century-old studios are becoming streamers, agencies are becoming conglomerates, and the power lunch became the midday Zoom, these stars — all age 35 and under — are charting their own courses.”
