Sheppard Mullin was recognized by *BTI Consulting* as one of the “Leaders in Providing Value for the Dollar.” According to BTI, “Value isn’t about low cost. Clients see value when a law firm delivers measurably more than they expect. Clients believe exceptional legal advice delivered on time and within budget is a minimum requirement and adds no value.”

The firm was one of only 23 firms featured in The Law Firms Best at Providing Value for the Dollar list. The research was based on more than 350 in-depth recently completed interviews with top legal decision makers.
