Office Managing Partner: Reid Whitten

The London office was opened in 2011 and supports our clients across industries under the laws of England and Wales, European as well as U.S. law.

Our attorneys in London and Brussels handle international transactions and commercial and competition matters and can supervise local legal counsel in most European jurisdictions. Our corporate attorneys in London and Brussels handle the U.S. law aspects of cross-border transactions. U.S. and local law due diligence, the U.S. securities aspects of public and private offerings, and U.S. regulatory, antitrust and trade issues. We can also assist entertainment, media and technology companies based in Europe with many of their transactional legal requirements. In addition, we represent European secured lenders, bondholders and acquirors of debt and assets in U.S. bankruptcies and out-of-court restructurings, as well as serve the European restructuring needs of our U.S. clients.

Sheppard Mullin (UK) LLP is a Delaware limited liability partnership affiliated with Sheppard, Mullin, Richter & Hampton LLP, a California limited liability partnership. For more important information please see our Legal Notices.
