

Corporate Team Represented Allied Associates International in Sale to Redhorse Corporation

10.31.2023

Sheppard Mullin's Corporate practice advised Allied Associates International (A²I), a Gainesville, Virginia-based cybersecurity and engineering company, in its acquisition by Redhorse Corporation, a technology driven company that delivers innovative data science and digital transformation solutions enabling mission success for national security, intelligence community, and federal civilian customers. A²I develops software to extract actionable intelligence from data and provides cutting-edge technical products and services to the Defense, Federal Law Enforcement and Intelligence Communities.

The Sheppard Mullin deal team that advised A²I was led by partner Cedric Powell and included associates Matthew Greenberg and Christina Nguyen. Invaluable assistance was provided by partners Lisa Harris, Claudia Hinsch, Peter Koffler, Fatema Merchant, Yasamin Parsafar, Anne Perry, Ryan Roberts, Kevin Ryan and Niya Tang and associates Patrick Callaghan, Snehal Desai, Evan Lim and Betsy Luxenberg.
