

Sheppard Mullin Represented Majesco in Acquisition of Decision Research Corporation

01.04.2024

A Sheppard Mullin Corporate team represented Majesco, a global leader of cloud insurance software solutions for insurance business transformation, in its acquisition of Decision Research Corporation, a SaaS-based insurance software company delivering market-leading enterprise rating, a reinsurance solution, and core for the P&C insurance market.

The Sheppard Mullin team was led by partner Valérie Demont and associates Keren Baruch and Inés Briand.
