

Real Estate Practice Advised H&S Energy in Acquisition of Andretti Petroleum Group

04.23.2024

Sheppard Mullin represented Orange, California-based H&S Energy, LC and its affiliates in the acquisition of Andretti Petroleum Group's convenience retail, fuels distribution, cardlock, fleet card, commercial fueling, car wash, lubricants and transportation businesses. H&S Energy is a leading gasoline and convenience store retailer in California and Nevada, with an expanding footprint throughout the Pacific Northwest. Andretti Petroleum Group previously was one of the largest convenience retail and fuels distribution businesses on the West Coast and Pacific Northwest, operating in northern California, Oregon and Washington.

The Sheppard Mullin team that advised H&S Energy was led by Real Estate, Energy, Land Use and Environmental co-practice group leader Michael Leake and included partners William Wyatt, Robert Sahyan and John Carroll and associate Aaron Duffy.
