

### Sheppard Mullin Advising Paragonix Technologies in Sale to Getinge

08.22.2024

Sheppard Mullin is representing Paragonix Technologies, a pioneer and innovator in organ transport and preservation, in its strategic agreement to be acquired by Getinge, a global medical technology company that provides equipment and systems for healthcare and life sciences companies.

Getinge's global reach will expand access of Paragonix's innovative organ transplant technologies to new markets while also creating opportunities for combining the organ containment and blood perfusion technologies of the two companies for new innovations.

The Sheppard Mullin deal team is led by partner Shon Glusky, special counsel Carol Archer and Matt Silverstein and associates Teresita Acedo, Matthew Greenberg, Chelsea Lim, Stephanie Nguyen and Brett Uslaner. Invaluable assistance is provided by partners Dmitriy Chelnitsky and Niya Tang and associates Brian Egan and Iman Naieem.
