

Mergers and Acquisitions Team Represented XYPRO in Sale to PartnerOne

05.13.2025

Sheppard Mullin represented XYPRO, a leading cybersecurity provider of risk management and compliance solutions for the world's most critical enterprise environments, in its acquisition by PartnerOne, one of the fastest growing enterprise software conglomerates in the world. The transaction enables XYPRO to expand its reach and accelerate innovation while continuing to deliver exceptional value to its loyal worldwide customer base.

For more than 40 years, XYPRO has been a trusted name in protecting high value, high-risk systems. The company's solutions include threat detection, identity and access management, compliance and analytics - empowering global organizations to maintain the highest levels of system integrity, security and operational continuity.

The deal team was led by partners Ed Xia and Larry Braun and associates Lyle LeBlang and Jeffrey Kozono. Invaluable assistance was provided by partners Frank Dworak, Justin Hepworth and Carlo Van den Bosch, special counsel Elfin Noce and associates Arthur Moore, Brian Egan and Michael Weissnar.
