Scott Morehouse has joined Sheppard, Mullin, Richter & Hampton LLP as a partner in the firm's Real Estate, Land Use and Environmental practice group, based in the firm's Orange County office. Morehouse joins from Greenberg Traurig.

"Scott is an excellent fit with our marquee real estate and land use practice and adds additional breadth and depth to our existing real estate finance capabilities," said Guy Halgren, chairman of Sheppard Mullin.

Leader of the firm's Real Estate, Land Use and Environmental practice Domenic Drago echoed Halgren's sentiments: "We are very fortunate to have Scott on board in Orange County. Scott is well-known and well-respected – an excellent addition to our 60-attorney practice."

"I am excited to join Sheppard Mullin which has an outstanding reputation in real estate and land use. The firm offers an excellent platform on which to grow my practice, as many of my clients have a national presence. In addition, I was truly impressed by the firm's culture of teamwork and collegiality," stated Morehouse.
