

Sheppard Mullin Advises GeoComply In Investments By Blackstone Growth And Atairos

03.23.2021

Sheppard, Mullin, Richter & Hampton LLP represented GeoComply Solutions, Inc., the global leader in geolocation and compliance technology for the iGaming industry, in connection with minority investments by funds managed by Blackstone Growth, the growth equity fund of private equity giant The Blackstone Group, and Atairos, an independent strategic investment company with financial backing from Comcast Corporation, NBC Universal and Sky, that is focused on supporting growth-oriented businesses. This is the first commitment of institutional capital to GeoComply, which is pursuing continued growth in its core iGaming markets as well as expansion into new verticals.

The Sheppard Mullin team was led by partner Jamie Mercer and associate Lyle LeBlang, with additional partner support from Frank Dworak and Claudia Hinsch.
