

Sheppard Mullin Represents Ethos Veterinary Health in Partnership with National Veterinary Associates

08.12.2022

Sheppard Mullin advised Ethos Veterinary Health (“Ethos”), an innovative veterinary leader focused on the emergency and specialty segment, in its partnership with National Veterinary Associates (“NVA”), a leading global pet care organization and community of more than 1,500 veterinary hospitals and resorts. With general practice, emergency and critical care and specialty referral veterinary hospitals across the United States, Ethos provides advanced medical care for pets with a strong focus on clinical research and education programs.

Through this collaboration, Ethos will work alongside NVA Compassion-First, NVA’s dedicated specialty and emergency care group, to pursue their joint mission of medical innovation and improving the lives of veterinarians, patients and their families through compassionate care.

The Sheppard Mullin deal team was led by Cyrus Abbassi and Ehi Borha.
