

5 Cybersecurity And Privacy Cases To Watch: Midyear Report

Law360

07.30.2018

Partner Craig Cardon comments on the cy pres mechanism saying, "My expectations, which I'll admit may include a few flavor crystals of my hope as well, is that what will come out of this is guidance to determine what is a proper use of the vehicle and what is an improper use, so litigants who go through these settlements can have a better sense of what will be approved and what will not be."
