

### Strong Tailwinds Give NewSpace Dealmaking Plenty of Green Space

*The Deal*

05.25.2022

In an article for *The Deal*, Sheppard Mullin partner and leader of the Mergers and Acquisitions team Zac Turke and associate Rambod Peykar discuss how in recent years the dynamic has changed as start-ups and mid-sized companies have entered the twenty-first century space race, eyeing the so called "NewSpace" market with such efforts as orbital satellites, rovers and other, less capital intensive initiatives than the aerospace industry of old.
