

Insurance

Stinson's insurance lawyers advise insurance companies and health plans handling the transactional, regulatory and governance challenges presented in today's rapidly evolving marketplace. Our attorneys have deep experience managing legal matters unique to insurance businesses enabling us to efficiently and effectively handle the broad range of legal challenges that insurers face.

INSURANCE CLASS ACTION & LITIGATION

Our litigation experience spans a wide range of matters, including policyholder class actions, governance disputes, antitrust matters, bad faith disputes, institutional issues and market conduct examinations. We frequently defend clients in industry attacks, and represent insurers in attorneys general and other regulatory enforcement proceedings nationwide. [Learn more.](#)

INSURANCE REGULATORY & ENFORCEMENT

Insurers trust Stinson's regulatory counsel to handle complex investigations and examinations. We stay up to date on often conflicting and ambiguous state regulatory statutes and administrative rules, advising clients and addressing regulatory concerns in order to minimize intrusion on a client's business operations. INSURANCE TRANSACTIONS

Our team has handled countless deals from start to finish, including the structuring, negotiation, documents, closing and handling regulatory approvals. Attorneys combine a unique understanding of transactional matters with all facets of the insurance industry and its regulation. We have advised on multiple surplus note investments. We advise on the formation and implementation of captive insurance companies or programs. We handle all manner of transactions for insurers, fraternal benefit societies, producers, administrators, and others in the insurance industry. [Learn more.](#)
